

### From The Hangar Mouse

Col Bill Westlake gave the squadron a gift subscription to the Air & Space Magazine as a Christmas present. Say “Thank You” to Bill next time you see him. Also say “Congratulations” to CAF Cadet Brian Snead who has just gotten his pilot’s license! Fran’s SNJ has taken to the skies again and his YAK’s recovery continues. Keep it up Fran! Welcome our newest CAF Cadet Jonathan Loveless who has joined us and already has become an active squadron member.
